

Technical Update

May 1, 2015

Test Menu Change Notification

MiraVista Diagnostics recently evaluated client demand for testing we offer, to ensure our test menu accurately reflects the need of our clients and to allow us to allocate our resources to the services that bring the greatest value to the population we serve. Beginning August 1, 2015 the following changes will be made to our test menu.

- Test code 312, MVista® Itraconazole will be setup on Wednesday only
- Test code 323, Aspergillus Antibody, IgG, EIA will no longer be orderable

If you have any questions regarding this change, please direct your inquiries to Anita Borek, Clinical Laboratory Services Director, at 866-647-2847.
